# Dedication

The yearbook staff of Joseph City High School is honored to dedicate the 2011-2012 yearbook to Ms. Toya Rubi. Those who were able to learn at her feet, listen to her tell a fun story, or be associated with her during the past 21 years will be forever blessed. Ms. Rubi started off teaching special education and then moved to the first grade. She held high expectations for her students and they learned that she cared deeply for them and their learning. Her principal stated, "Ms. Rubi, without a doubt, was one of the best teachers to walk the halls in the Joseph City Unified School District." Thank you, Ms. Rubi, for your many years of service to the students of the Joseph City schools.

The team consisted of Kayla Hughes, Britney Smith, Kristin Baldwin, and **Sara Solomon**. When Britney handed off to Kristin, she stepped on the heel of Kristin's shoe which caused it to come off. ## Keanu Brandy Taylor

### Class of 2012

*Keanu Brandy, Being asked to write these words brings tears to my eyes and my heart trembles with joy and happiness in your success. Words alone cannot describe my feelings and emotions. I must thank you for allowing me to be a part of your life during all these years. Thank you for teaching us responsibility as parents, and most of all, for your unconditional love. Some people always run from love, but none of us can live this life alone, because then we reject the greatest gift of this world, the love of God and the love of family. Remember this always on your journey in life, "Ada astra per aspera," which means, "The sky's the limit", but you've got to work for it. From the cradleboard to infinity and beyond. Your Father in Christ,*

*Robert B. Naranjo*

*My dearest Keanui' I love you so much and am so proud of you. Words can't express the things my heart feels. Through our years together, you have been my best friend and I couldn't ask for a better daughter. You have stuck by me through the good and bad times. I will miss you so much when you leave to go on about your life journey. I know that God will take care of you in every choice you make for your life. You have been one of my greatest blessings. I thank God for you my love.*

*Love Mom Melinda*

### "One of A Kind"

It seems like just yesterday,
When you were a newborn baby...
Everything was so brand new
Colors, shapes, sounds and sights were all foreign to you.
All your tiny little fingers wrapped around just one of mine.
As a new mom, I looked at you and you were One of a Kind.
You grew quickly and learned things just as fast,
And I realized that your newness would not last.
You discovered that legs were meant to walk
And that God gave you a mouth that could talk...
So you learned words and phrases in no time
And I knew that you were One of a Kind.
There were people and places you wanted to explore
With every new thing you learned, you wanted to know more.
You developed a personality that can't be beat
You're altogether loving, funny, compassionate, and sweet.
You're talents are making those around feel at ease,
You possess humor, acceptance, and hugs that squeeze!
So I'm reassured that in life you'll do fine,
As a young lady you turned out to be One of a Kind!
So as you grow, and not just one year older,
But as you mature into a woman that's stronger, wiser and bolder
I see how much the Good Lord has blessed me
By the beauty within you that we all can see, you turned out to be
You are joyful, loyal, smart, loving and kind.
You are a daughter, a friend, a woman that is definitely One of a Kind!

"A falling star will never measure up to the diamond you are!"

~ Love, Mom & Dad ~
